

COMMONWEALTH OF KENTUCKY

STATE SENATE

May 6, 2019

To Whom It May Concern:

This letter serves as my strong support for improved broadband access for Hopkins County, Kentucky. Residents, business owners and students have suffered from the lack of adequate broadband for many years. I feel that the economic growth of this area has also suffered severely due to this issue and we must do all that we can to rectify this situation. This is why I feel very strongly that receiving the Delta Regional Authority broadband grant would mean so much for this county's future.

Please give your utmost consideration to awarding Hopkins County and its well deserving citizens this grant. I know that the county will prosper and grow with the opportunities that broadband access will bring to the area.

Sincerely,
