Franchisee shall, subject to the line extension provisions of Section IV, also provide without charge, at one building other than a hospital, nursing home, apartment or building at the airport, to be selected by the Fiscal Court, one junction terminal to said building and shall also furnish to the building, without charge, Basic Cable Television Service to the building's terminal junction.

SECTION XI. - EMERGENCY ALERT SYSTEM

Franchisee shall provide emergency alert facilities as required by federal law. Grantor or its designee shall have the capability of disseminating emergency messages over the cable system provided that Grantor or its designee acquires, at its own cost, all necessary interface and encoding equipment.

SECTION XII. - SAFETY REQUIREMENTS

Franchisee shall, at all times, employ ordinary care and shall use and maintain commonly accepted methods and devices for preventing failures and accidents which are likely to cause damages, injuries, or nuisances to the public.

SECTION XIII. - LIMITATIONS ON RIGHTS GRANTED

- A. All transmission and distribution structures, lines and equipment erected by Franchisee within Grantor shall be located as to cause minimum interference with the proper use of streets, alleys and the public ways and

places, and to cause minimum interference with the rights and reasonable convenience or property owners who adjoin any of the said streets, alleys or other public ways and places, and said poles or towers shall be removed by Franchisee whenever Grantor reasonably finds that the same restrict or obstruct the operation or location of any future streets or public places within Grantor and Grantor concurrently requires relocation of similarly situated utilities.

- B. Construction and maintenance of the System shall be in accordance with the provisions of the National Electrical Safety Code, prepared by the National Bureau of Standards, the National Electrical Code of the National Board of Fire Underwriters, and such applicable ordinances and regulations of Grantor, affecting electrical installation, which are presently in effect at the time of construction.
- C. In case of disturbance of any street, sidewalk, alley, public way or paved area, Franchisee shall, at its own cost and expense and in a manner approved by Grantor, replace and restore such street, sidewalk, alley, public way or paved areas in at least as good a condition as before the work involving such disturbance was done.
- D. If at any time during the period of this Ordinance Grantor shall lawfully elect to alter or change the grade of any street, sidewalk, alley or other public way, Franchisee, upon reasonable notice by Grantor, shall remove, relay and relocate its poles, wires, cables, underground conduits, manholes and other fixtures at its own expense provided Grantor concurrently imposes identical requirements on similarly situated utilities.
- E. Franchisee shall on the request of any person holding a building moving permit or any person who wishes to remove trees or structures from their property, temporarily raise or lower its wires to permit the moving of buildings or tree removal. The expense of such temporary removal or raising or lowering of wires shall be paid by the person requesting the same; the Franchisee shall have the authority to require such payment in advance. Franchisee shall be given not less than fourteen (14) days advance notice to arrange for such temporary wire changes.
- F. Subject to Grantor approval, Franchisee shall have the authority to trim trees that overhang the streets, alleys, sidewalks and public ways and places so as to prevent the branches of such trees from coming in contact with the wires and cables of Franchisee.
- G. Franchisee, shall, at its expense, protect, support, temporarily disconnect, relocate on the same street, alley or public place, or remove from the street, alley or public place, any property of Franchisee when required by Grantor by reason of traffic conditions, change of establishments of street grade,

installation of sewers, drains, water pipes, power lines, signal lines, and tracks or any other type of structures or improvements by governmental agencies when acting in a governmental or proprietary capacity, or other structure of public improvement; provided, however, that Franchisee shall in all cases have the privileges and be subject to the obligations to abandon any property of Franchisee in place as hereinafter provided.

- H. In all sections of Grantor where Grantor designates an area where all presently above ground services are to be placed underground, Franchisee shall place its wires underground on the same time schedule and on the same conditions that are applicable to the providing of other above ground services in the designated areas.
- I. In the event that the use of any part of the System is discontinued for any reason for a continuous period of twelve (12) months, or in the event such System or property has been installed in any street or public place without complying with the requirements of this Ordinance, or the rights granted hereunder have been subject to the rights of the Grantor to acquire or transfer the system as specified in Section XV, promptly remove from the streets, or public places, all such property and poles of such System other than any which the County may permit to be abandoned in place. In the event of such removal, Franchisee shall promptly restore the street or other areas from which such satisfactory to Grantor.
- J. Any property of Franchisee to be abandoned in place shall be abandoned in such a manner as Grantor may prescribe. Upon permanent abandonment of the property of Franchisee in place, it shall submit to Grantor an instrument to be approved by Grantor, transferring to Grantor the ownership of such property.

SECTION XIV. - OWNERSHIP AND REMOVAL OF FACILITIES

- A. All cable and equipment for cable service including cable television reception service installed by Franchisee at a subscriber's location shall remain the property of Franchisee and Franchisee shall have the right to remove said cable and equipment. Upon termination of all service to any subscriber, Franchisee shall promptly remove all its above ground facilities and equipment from the premises upon the request of such subscriber.
- B. At the end of the Term of this franchise, the Company at its sole cost and expense and upon direction of the Grantor, shall remove the above-ground cables and appurtenant devices constructed or maintained in connection with the services authorized herein, unless the Company, its affiliated entities or assignees should, within six (6) months after such expiration, termination or revocation obtain certification from the FCC to operate an Open Video
