Section Six

The Administrator is hereby charged with the enforcement of the provisions of this ordinance and is hereby empowered to take all action which he may deem necessary relating to any matter or thing pertaining to the administration and re-examination and correction of returns as to which an overpayment or underpayment is claimed or found to have been made and the rulings made by him shall be binding upon the Licensee.

The Administrator is hereby authorized to examine any Person under oath concerning any information relevant to the collection of the license fee imposed herein and to this end may compel the production of books, papers, records, and the attendance of all Persons before him, whether as parties
